A free movie screening of the documentary:

## Won't You Be My Neighbor?

You're invited to re-discover the joy of Mister Rogers through this acclaimed film. Academy Award-winning filmmaker Morgan Neville looks back on the legacy of Fred Rogers, focusing on his radically kind ideas. While the nation changed around him, Fred Rogers stood firm in his beliefs about the importance of protecting childhood. To further his beliefs, support our united and nonpartisan efforts to put young children and early childhood educators in the forefront of elected officials' agendas. **#ECEwins #MrRogersMovie**
